## **Commitment to Children and Young People's Safety and Welfare**

**Meridian Archery Club** believes that when dealing with children and young people their welfare must always be of paramount importance.

We are committed to providing an environment where children and young people can learn and participate in archery free from harassment and abuse.

All those people working with children and young people have a moral responsibility to safeguard and promote a child and young persons' welfare.

All members with regular access to children and young people will go through a screening process.

This club has adopted the Archery GB 'Policy for Safeguarding Children, Young People and Vulnerable Adults' to ensure peace of mind for adults, children young people and vulnerable adults.

This club has designated a person to deal with child protection and welfare issues. This person has undergone an enhanced level CRB check and has received appropriate training.
